Sir:

It is respectfully requested that the fees paid for the Petition for Three-Month Extension of Time and Notice of Appeal submitted in reply to the December 29, 2004, Office Action be refunded.

On December 29, 2004, a Final Rejection was mailed for the above-identified application. Applicant timely filed a Request for Reconsideration After Final Rejection on March 29, 2005. See the attached date-stamped receipt. According to the USPTO PAIR database, the response was recorded as having been received on March 29, 2005, and was forwarded to the Examiner for action on April 1, 2005. However, for a period of nearly three (3) months, the Request for Reconsideration After Final Rejection has remained on the Examiner's docket without action. Applicant's representative telephoned the Examiner on multiple occasions to inquire into the status of the application and the response, but no formal response has been received from the Examiner.

Despite Applicants' timely submission of a response on March 29, 2005, no action has been taken by the Patent Office even three months after the filing of the Request

for Reconsideration After Final Rejection. Applicant was thus forced to file the accompanying Notice of Appeal and Petition for Extension of Time, at a cost of \$510.00 in extension fees and \$250.00 in Notice of Appeal fees (for a total cost of \$760.00), in order to maintain the pendency of the application. Applicant incurred all of these expenses solely because of Patent Office delay.

Accordingly, it is respectfully requested that \$760.00 be refunded to Deposit Account No. 15-0461 and that the Patent Office acknowledge this credit in writing.

Respectfully submitted,

James A. Oliff
